

What am I

I am a fruit
You have to peel me to eat me
My skin is yellow

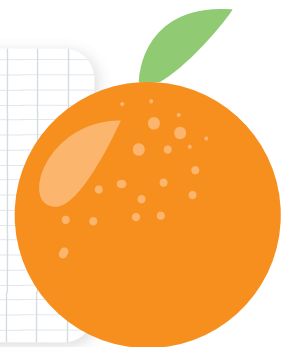

I come from a chicken
You find me inside a shell
I am white with a yellow 'yolk' in the middle

I come in a pot
You can get me in many flavours
You need a spoon to eat me

I am a fruit
I am often turned into juice
You have to peel me to eat me
My name is also a colour

I am yellow in colour
You can put me in a sandwich
I am a mouses favourite food
