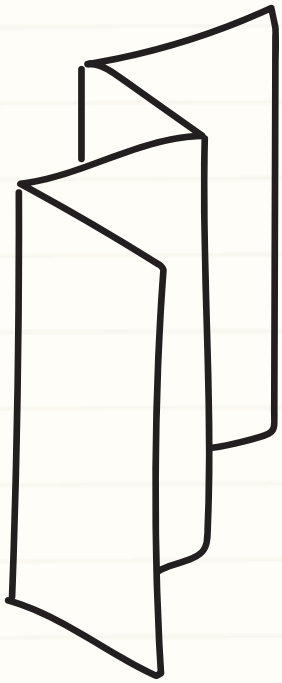
# Health and Responsibilities

## Combination Drawing Game

- Split the class into groups of three.
- Fold an A4 page into 3 parts (portrait).
- The first student draws a head on the top 3rd of the page.
- Give each child 3 minutes.
- After this, pass the page to the person on their right. (Keep your drawing covered).
- The next student will then draw a body.
- After 3 minutes, the page will be passed to the next student on their right, covering the previous two drawings.
- The last student will then draws the bottom/legs.
- After 3 minutes, the student will unfold the drawing.
- Each student should stand up and show it to the class.



*** Ideas: Robot, Pirate, Animal, Princess, Cowboy, Farmer, Mermaid, Human, etc.**
